

The impact of food safety and quality on trade and competitiveness is very substantial. In the context of the IUFoST 15th World Congress of Food Science and Technology, this session will highlight the latest achievements of important research projects in the field of food safety funded by the European Union.

It will present an excellent opportunity for networking and provide for linking international research, especially from the African continent, with the latest research of European projects in the field of food safety and quality.

PathogenCombat
for safe food

IUFoST Conference
22nd - 26th August 2010

Session on Food Research
funded by the European
Union

24th August 2010
Cape Town, South Africa

Food Science Solutions in
an Evolving World

Cape Town, 24th August 2010

Organization

Susanne Braun, University of Stuttgart
Lilia Ahrné, SIK (The Swedish Institute for Food and Biotechnology)

Language

The workshop will be held in English.

Address and Venue

IUFoST
15th World Congress of Food Science and Technology
Cape Town International Convention Centre
Cape Town, South Africa

Date and Time

24th August 2010 13.30 - 17.30

Session on Food Research funded by the European Union

Tuesday, 24th August 2010

13.30-14.00: European Union Research Priorities and Funded Projects in the Area of Food Science

Susanne Braun, University of Stuttgart,
Germany

14.00-14.30: PathogenCombat

Prof Avreljia Cencic, University of Maribor,
Slovenia

14.30-15.00: Novel Q

Dietrich Knorr, Technical University of Berlin,
Germany and Lilia Ahrné, SIK, Sweden

15.00-15.30: Healthy Structuring

Maud Langton, SIK, Sweden

15.30-15.45 Coffee break

15.45-16.15: Biocircle

Christophe Cotillon, ACTIA, France

16.15-16.40: High Tech Europe

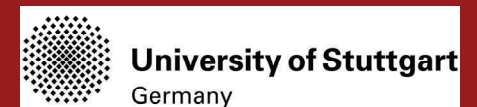

Volker Heinz, DIL, Germany

16.40-17.05: MoniQa

Roland Poms, ICC, Austria

17.05-17.30: Chill On

Maria Eden, TTZ, Germany
